

Little Frog gets vaccinated

Peninsula
Health

Here is a story about Little Frog going to get their vaccination. Vaccinations help protect them and their loved ones to keep them well.

Follow along to prepare your Little Frog on their journey when getting a vaccination.

Hello Little Frog,
it's time to go get your
vaccination to keep you
safe and well!

Okay,
let's go!

Have you got
your mask,
Little Frog?

Yes, I'm ready
to go!

Hello, Little Frog.
First, you will need
to clean your hands.

All clean!

We need to
wait here.

Ok. I'll look at
a book or do
an activity.

Good job, Little Frog,
now you and
others will stay well.

Let's
go

Tips and tricks for keeping your Little Frog calm during their vaccination

Have your Little Frog sit on your lap

Read them a story

Sing their favourite song together

Draw their attention to something on the wall

Practice the alphabet

Ask them questions like 'what is your favourite colour?'

Bring along their favourite toy to hold onto.
